

## *Make Me Bad / In Between Days Feat. The Cure*

*I am watching the rise and fall of my salvation  
There's so much much of it around me  
Such a lack of compassion*

*I thought it would be fun and games  
(it would be fun and games)  
Instead it's all the same  
(it's all the same)  
I want something to do  
Need to feel the sickness  
In you*

*I feel the reason, as it's leaving me  
No, not again  
It's quite deceiving, as I'm feeling  
The flesh make me bad*

*I feel the reason, as it's leaving me  
No, not again  
It's quite deceiving, as I'm feeling  
The flesh make me bad*

*Yesterday I got so old  
I felt like I could die  
Yesterday away from you  
It made me want to cry  
Go on go on  
Just walk away*

Go on go on  
Your choice is made  
Go on go on  
And disappear  
Go on go on  
Away from here

And I know I was wrong  
When I said it was true  
That it couldn't be me and be her  
Inbetween without you  
Without you

Yesterday I got so scared  
I shivered like a child  
Yesterday away from you  
It froze me deep inside  
Come back come back  
Don't walk away  
Come back come back  
Come back today  
Come back come back  
Why can't you see?  
Come back come back  
Come back to me

And I know I was wrong  
When I said it was true  
That it couldn't be me and be her  
Inbetween without you  
Without you

All I do is look for you  
I need my fix  
You need it to  
Just to get some sort of attention  
Attention

What does it mean to you?  
For me, it's something I just do  
I want something  
I need to feel the sickness in you

I feel the reason, as it's leaving me  
No, not again  
It's quite deceiving, as I'm feeling  
The flesh made me bad

I feel the reason, as it's leaving me  
No, not again  
It's quite deceiving, as I'm feeling  
The flesh make me bad
