

The Seduction Of Indulgence

Oh, look at me

I'm taking a huge risk crossing this line

Oh, look at me

Determined that I'm not gonna win this time

Oh, what will be

I'm unprotected and painfully confined

Oh, come fuck with me

I think I'm ready all this time

Oh, come with me

They say the torture is divine

Looking at me

Oh, they take their time

Skinning me, stabbing me

Touching me, licking me

Raping me, skinning me

Stabbing me, touching me

Licking me, raping me

Skinning me, stabbing me

Touching me, licking me

Raping me, skinning me

Stabbing me, touching me

Licking me, raping me

Skinning me, stabbing me

Touching me, licking me

Raping me, skinning me

Stabbing me, touching me

Licking me, raping me

Skinning me, stabbing me
