

You'll Never Find Me

*Life is degrading and silently making me
Spun out inside my own head
Spewing and craving, this darkness is baiting me
Down the road to my own death*

*I can't take this, I might break it
Watch it all fall down*

*So come give me the truth you hide
Take the pain inside*

*Humiliating, I fall to it's craving
It feeds on the doubt in my heart
Sinking and fading, our feelings I'm saving
To fix what I tore all apart*

*I can't take this, I might break it
Watch it all fall down*

*So come give me the truth you hide
Take the pain inside*

*I'm lost, you'll never find me
I'm lost, you'll never find me
I'm lost, you'll never find me
I'm lost, you'll never find me*

*I'm lost, you'll never find me
I'm lost, you'll never find me
I'm lost, you'll never find me
I'm lost*

*So come give me the truth you hide
Take the pain inside*

I'm lost, you'll never find me

*I'm lost, you'll never find me (I watched you die,
now watch me die)*

*I'm lost, you'll never find me (I watched you die,
now watch me die)*

*I'm lost, come for me (I watched you die, now
watch me die)*

I'm not doing fine

I'm not doing fine

I'm not doing fine

I'm not doing fine

I'm not doing fine

I'm not doing fine

I'm not doing fine
